VOTED #1 BEST DJ SERVICE IN ABILENE — QUALITY BUSINESS AWARDS 2024

BIO

DJ Wildman is Reasal Baucum — The Wildman Show DJ Service, Abilene, Texas, in business since 1997. Nearly three decades behind the decks, and the dance floor still packs every time.

One call covers the whole night: professional DJ & MC, pro sound and lighting, fog machines, and a crowd that stays on its feet from the first song to the last. Music in English and Spanish — weddings, birthdays, school dances, corporate events, holiday parties, festivals, bars, clubs, and community nights. For schools and kids' events, every track is a clean edited version.

The Wildman Show is more than a DJ. One booking can add the 325 Karaoke Party, the 325 Photo Booth, 325 Trivia, the Wildman Mobile Bar (including a brand-new zero-proof bar), foam parties, and the 3M Big Screen for movie nights and watch parties — one team, one phone number, one night your guests will talk about.

Recognition: Quality Business Awards 2024 — The Wildman Show voted #1 Best DJ Service in Abilene, 5 stars for Satisfaction, Service, Reputation, and Quality. The 325 Photo Booth holds 5.0 stars on Google. The business is insured.

Booking now for 2027: weddings, parties, school events, festivals, and corporate events — across Texas, Oklahoma, New Mexico, Louisiana, and Florida.
